

# ICL Bowling Open

## General Guidelines

**FASC Bowling Cup** (unofficial name given to the FASC bowling series by the undersigned)

Each FASC club sets up a bowling program for its members. It is a club event with an individual ranking.

### **A.**

3 meetings must be held per annum:

1st meeting between 1st Oct & 31st December

2nd meeting between 1st Jan & 31<sup>st</sup> March

3rd meeting between 1st April & 30th June

Members can choose individually the dates they want to play during these three meetings.

### **B.**

To be eligible for the final "FASC Bowling Cup" ranking with prizes a member must have submitted scores of 2 games from each of the three meetings thus adding up to a total of 6 games for the 3 meeting periods.

There will be prizes for the Best Lady Bowler and the Best Gentleman Bowler with smaller prizes for 2<sup>nd</sup> and 3<sup>rd</sup> places.

Honors may go the club with the highest score obtained by their members, but the formula for this has not yet been decided.

A second ranking will be established to rank those who have played less than the total of 6 games that are required for eligibility for the FASC Bowling Cup. Here also prizes may go the top scoring lady and top scoring gentleman.

### **C.**

Results must be submitted to FASC latest by the end of each meeting period. They will be published on the FASC website.

### **D.**

What matters is that you get out of your chairs and out to the bowling lane to have some fun, laughter and exercise, and enjoy the time out.
