Boatride on Lake Geneva with FASC

Saturday, May 25 Meeting at 11h30

On May 25 the Federation of Anglo Swiss Clubs (FASC) is holding its annual general meeting, the AGM, in Lausanne. ICL is member of FASC and is hosting the Federation for their meeting on that day. The AGM will take place on the La Suisse, a veteran steam boat while cruising from Lausanne in the direction of Montreux.

ICL invites its members to come along ... having a seaside view of the villages and the vignards on the shore of Lavaux is always an unique and relaxing experience.
