December 2020

Christmas Dinner

Saturday, December 5 19:00 **Provisional**

Restaurant du Port, 1009 Pully

NOTICE: After the regretful cancellation of the North Korea presentation we remain in full hope that we can get together in December for the traditional Christmas dinner. See below what we have prepared for you.

This year's Christmas party is to be celebrated jointly, like last year, between ICL & English Speaking/Anglo-Swiss Club of Lausanne at a private room specially reserved for us.

As usual, please bring along a nicely wrapped present for Santa's sack (something around CHF 10 will be fine) so that everybody receives a gift.

We've assured Santa that if his sack is too heavy we will gladly provide an elf or two to help. Rudolph, always trying to find a way of eating his dinner with us and not outside in the cold/rain/snow with all the other reindeer!!

At popular demand there will be the least challenging Christmas quiz ever !

Cost : SFr 60 members / Sfr 70 non-members.

The price includes a welcome drink but not the beverages you order to accompany your dinner.

Deadline and Signing up : Please mark the date in your agendas.

At the end of November new covid rules and regulations will be decided and they will determine whether the Christmas Dinner is possible. We will then let you know whether we get approval from the restaurant and also on possible restrictions or particular measures.

Forthcoming Events

Note: ICL will continue to organize club events as long as the sanitary restrictions and requirements allow it. Please understand if there are changes or even cancellations on short notice.

In January, in the second half of the month, we plan to have our traditional New Year Brunch. More information will be sent out in December. Also check from time to time our internet site **icl-club.ch**.

Membership Renewal

Many of our members have rapidly renewed and paid their membership for the new ICL year. Many thanks for this from Chris, our treasurer. He invites those who have not yet renewed to do so at their earliest convenience.

On the lighter side

'Don't worry, the corona virus won't last long - it's made in China...' (ndr *This is what they said in March !*)

'One laugh a day, keeps covid away'.

Please remember our web address **www.icl-club.ch**. There you can always find information on activities in case you lose the monthly ICL information page.
