2020 on the lighter side

My friend asked me where I see myself in 2020 new year ... How would I know? I don't have 20/20 vision. My 2020 resolution was to read more ... so I put the subtitles on my TV.

Did you know?

... cows don't have upper front teeth. It is not the Swiss who have voted for this !

... you're more likely to be killed by a champagne cork than by a poisonous spider. Be careful on New Year.
