Corona leaves - ICL is back !

Your committee at work ... with coffee, tea and banana cake

On Tuesday your committee met to prepare the program for the coming months and next year. The first item was to find a new date for the missed Annual General Meeting we had scheduled in May. On the agenda were the reports of the committee, membership and treasury and the future of ICL, all items that are important and must not be missed.

We decided to combine the AGM with the traditional Welcome Back event in September. We preferred this month to an August date to get as far as possible away from the covid period.

As for our coming events, Alicia and Chris will open their photo albums of their trips respectively to Myanmar, formerly called Burma, and to North Korea. North Korea has opened its doors to tourism very recently. On the other hand, the Myanmar government has encouraged tourism since 1992, though with restrictions.

In regard to the venue of our next events we wish to give preference to La Longeraie. They were our partner for very many years and we want to honor this long-standing relationship to help them to get started again after the imposed closure of the hotel and the restaurant.

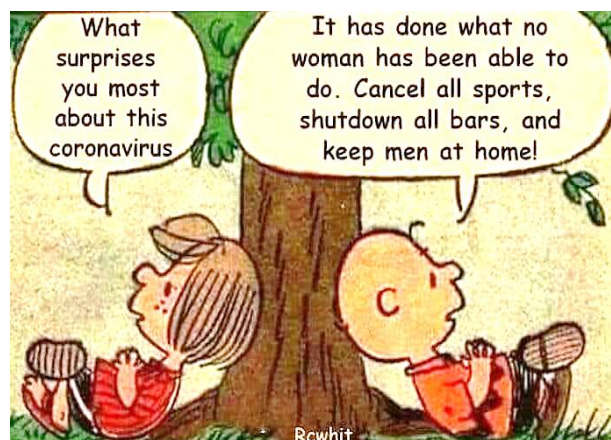

June is the last month of the ICL year before the summer break and it is the time for renewing your membership and our wish is that everyone will stay with the club.

Due to this unexpected pandemic, our program of activities from March to June was cancelled and thus, members might feel short-changed about this. Therefore, the committee has decided to postpone the payment of membership dues until after our AGM and Welcome Back event, scheduled by mid- September.

We will be regularly up-dating our website www.icl-club.ch Please check there for dates and latest news.

The committee wishes you a pleasant summer - stay fit and healthy.

Alicia, Gabi, Marcel and Chris
