

June 2021

Trying to catch up with events we missed this year, we will have two events this month. The first is a visit to an exhibit at the Musée Forel in Morges and the second a lunch on a terrace on the lake.

Visit Exhibit Alexis + Emeline Forel

Wednesday, June 16 15h

You're invited to join a guided visit (in French) of the exhibit on the two Forels, Emmeline and Alexis. The two have done everything together from their studies in Paris, painting in Bretagne and to the creation of their museum in Morges back in 1920.

Originally from Morges and Saint-Prex, Emmeline and Alexis Forel leave their family to fulfill their vocation as artists in the city which is at the heart of the world of art in the 19th century: Paris.

And like many of their peers, they made the trip to Brittany, then a major artistic meeting place, marked by the presence of Gauguin and the Pont-Aven School, but also by artists from all walks of life who fill inns, villages, fields, cliffs to represent the wild nature and ancestral traditions of this region.

Their works - prints for Alexis, pastels and oil paintings for Emmeline - reflect the richness of their experiences and the joys of their discoveries.

After the visit we will have time to sit together on a terrace at one of the cozy street cafés in the center of Morges.
