### Guided Tour

of **ST. PREX** (in English)

*(the clock)*

A visit hosted by **Stefan Vanistendael** a St. Prex resident, and local tour guide, who in his former career was an eminent sociologist and demographer.

**Saint-Prex** is a municipality in the Swiss Canton of Vaud, located in the district of Morges. In 1973, St-Prex was awarded the Wakker Prize for the development and preservation of its architectural heritage. The town was founded with the construction of the chateau in 1234AD. The bourg (old town) forms a peninsula extending from the north shore of Lake Geneva. In recent years the commerce of the town has mostly moved to outer areas. St-Prex is a port for the CGN lake steamers in summer.

We will be walking most of the tour, and possibly this will include a slight hill walk. The tour will be subject to the weather being kind.

Meet at the **The Clock - Rue du Pont-Levis, entrance to the Grand rue, St. Prex**
