Monthly Club Information

March 2017

Friday, 3rd March, at 18h30

Lecture on bio-nanotechnology at the EPFL

Meeting in the EPFL lobby

(by car, parking entrance Rolex Learning Center)

Lecture by Prof. Sandro Carrera, Professor at the EPFL. He is a former professor of optical and electrical biosensors at the Department of Electrical Engineering and Biophysics of the University of Genoa, and a former professor of nanobiotechnology at the University of Bologna. His scientific interests are on electrical phenomena of nano-bio-structured films. He has been the General Chairman of the 2014 Conference of the Institute of Electrical and Electronics Engineers, the premier worldwide international conference in the area of circuits and systems for biomedical applications

Deadline: Wednesday, 1st March

Contact: ilausanneclub@gmail.com or Paquita: 021 801 8935 or Claude: 021 861 1131

Cost: CHF 25.-- including apero dinatoire after the lecture

=====

Thursday, 30 March, at 19h00

Lecture on Antarctica by Annemarie Koelliker and Roberto

at La Longeraie, Morges

A three week expedition to the South Polar Sea has led our speakers from the most Southerly tip of Argentina to the Antarctic Peninsula. Millions of penguins, seals, whales, orcas, birds and countless icebergs have accompanied them during the voyages on the open seas.

The show will give us an impression of the incredibly diverse beauty of this inhospitable region.

Deadline: Tuesday, 28 March

Contact: ilausanneclub@gmail.com or Paquita: 021 801 8935 or Claude: 021 861 1131

Cost: CHF 25.- including "icy freezing" finger food and apero

=====

Coming events: Talk on Afghanistan in April (date to be confirmed)

Non-members pay CHF 5.- extra. No-shows attendees: Events requiring advanced reservations will be invoiced.
