Replacement Event *'À fleur de Peau - Vienne 1900'*, from Klimt to Schiele and Kokoschka.

March, Saturday 14 at Musée des Beaux-Arts, adjacent to the Lausanne train station. This is an exhibition of chef-d'oeuvres that presents a period in Vienna at around 1900 as a new perspective on the role of Viennese artists in the beginning of modern art. The exhibition became possible with exceptional works on loan from various renowned European museums.

We will first visit the exhibit for about one hour and then have lunch or just coffee or tea at the Museum restaurant. If you have seen the exhibit already, why not just join us at the restaurant. We should be there by 12:30.

Deadline: Thursday March 12

Time : Visit starts at 11 o'clock and takes about one hour.

Meeting : 10:45 at the ticket office inside the museum entrance hall.
