Annual General Meeting

Wednesday, May 19, 14:00 at La Longeraie, Morges

Doesn't it seem we just had our yearly member meeting? When we met in September and had our activities and events all lined up for just about the entire year, we did not imagine that covid would prevent us to go through with our projects.

In May we plan to hold our Annual General Meeting and you are most welcome to join. It will be an occasion to not just talk about club matters but also to see each other again.

Major items on the agenda are : Treasury and membership, the future of ICL and proposing and receiving suggestions for the next events. You will receive more information and the agenda early in May.

We will make sure that all requirements of sanitary precautions will be met and you can attend the meeting safely. Attendance is free, however, because of restrictions of 15 persons for in-room gatherings we may hold the meeting outside on the terrace. After the meeting we can have coffee, tea or a drink with nibbles. The restaurant is still closed.

When you sign up please mention whether you stay after the meeting and, if yes, whether you will have coffee or tea, or wine. We hope to be as many as last year.

Deadline : Saturday, May 15

Date / Time : Wednesday, May 19 at 14:00

June Event

Wednesday June 15

We will visit an exhibit of the two Forels, Emmeline and Alexis. The two have done everything together from their studies in Paris, painting in Bretagne and to the creation of their museum in Morges. After the visit we will have time to sit together on a sunny terrace of Morges either in the traffic free main street or on the lake side facing the harbor or Evian on the other side of the lake.

We'll send out more details in the June Monthly.

We invite members from English speaking clubs in Lausanne to join our events at no extra charge. Please remember our web address www.icl-club.ch. There you can always find information on activities in case you lose the monthly ICL information page.
