

November 2020

From North Korea with love by Chris Wegelin

Wednesday November 18 + November 25 **Cancelled**

NOTICE: Due to the November 4 covid restrictions the presentation is postponed to a new date in 2021

Chris will present a picture tour and some insights into controversial North Korea, named the 'Democratic People's Republic of Korea', a country that is criticized and isolated economically by western powers for its unyielding dictatorship.

Reunification Arch on Pyongyang Highway

The presentation is a non-political account about a trip decided on no particular basis other than it was thought to be a short stop-over on the way to Japan. It was a voyage to an unknown country with no particular expectations, no preconceived ideas and prejudices. For Chris and his wife Midori it turned out to be a surprise discovery and a pleasant and relaxing adventure on unknown territory.

The picture tour will take you North, East, West and South. Every day the two discovered new places, saw a new country-side, visited cultural sites and also hiked into colorful mountain valleys. Hearing about the ancient and modern history of Korea, the immense hardship for the Korean people that started one hundred years ago and still continues today, prompted understanding and sympathy for the people they met.

Cost : SFr 25.00 (includes an afternoon snack and drink) SFr 30.00 for non-members
