A Travelogue on Myanmar by Alicia Monachon

Thursday October 15, 14:00 at La Longeraie Morges

Myanmar, formerly Burma, is located in Southeast Asia and is referred to as the “**Land of a Thousand Pagodas**”, which is an understatement. Since the easing of a tourism boycott in 2010, huge numbers of visitors have been attracted to visit this country.

Together we will discover some of the country's beautiful sites, starting with the city of Yangon, with its vibrant street life and home to the most revered monument, the majestic **Shwedagon Pagoda**. Then we continue on to **Bagan** region, with its archeological zone sprinkled with more than 2,200 surviving temples, shrines & stupas. We move on to the region of **Mandalay** with its wood carvers and marble stone cutters, and the famous **U'Bein (Teak) Bridge**. And lastly, the **Lake Inle** region with the **Intha** fishermen, with their special technique of fishing, stilt villages and floating gardens.

You will be invited to share an aperitif afterwards.

The Future of ICL

The AGM was attended by more than half of the club which is an encouraging sign for the committee to continue and work hard for ICL. It is hoped that everyone will renew their membership.

We invite members from English speaking clubs in Lausanne to join our events at no extra charge.

Please remember our web address www.icl-club.ch. There you can always find information on activities in case you lose the monthly ICL information page.
