Dear Members and Friends,

Hopefully the evening of **Friday, May 27** will be balmy so that we can enjoy the drive to the Caveau de Rueyres in Chexbres (so beautifully situated above Lake Geneva), which will be the site of the ICL's **Wine Tasting Evening**. This event is for all of you who are looking forward to getting to know your fellow ICL members a little better under very relaxed and favorable circumstances. If you don't drink wine, don't let it deter you from coming! There will be non-alcoholic drinks available, and I'm sure you will enjoy seeing the "caveau" and how the wine is made. Please see the enclosed invitation for more detailed information.

An even more casual opportunity to mingle will be offered at our first

FRIDAY NIGHT GET-TOGETHER
(May 6th, from 7 to 9 p.m., in the bar of the Hotel Fleur du Lac in Morges).

Come by and have a drink (any kind) with us before going to dinner. We'd like to see you, even if you only have half an hour to spare. No need to announce your coming. The Fleur du Lac is situated on the cantonal highway on the outskirts of Morges going in the direction of Prévèrenge. There are plenty of parking spaces available.

For those of you who love the Wednesday-morning market in **Morges**, we have scheduled there our second

COFFEE CORNER
(at the Café Fornerod on the Grand Rue, from 9:30 to 10:30 a.m.).

This is a good opportunity for new members to get to know some of the rest of us on a small scale. Here again, there is no need to announce your coming.

THE INTERNATIONAL CLUB OF LAUSANNE

WINE-TASTING EVENING

When: Friday, May 27, at 7:00 p.m.

Where: Caveau des Rueyres, Chardonne près Chexbres

Cost: Sr. 20 per person (to be paid at the door)

Wine maker Michel Cossy and his son Jean-François will, during this evening, take us through their wine cellars and expound on the fine art of wine processing (to be translated into English). As we go along, we shall sample their red and white wines directly from the tap and munch on cheese and sausages (soft drinks will also be available). We will also get a chance to see their own bottling and labeling facilities. And yes, there will be ample opportunity to converse and to get to know other ICL members present.

How to get there: Take the auto route going from Lausanne in the direction of Vevey. Exit at "Chexbres-Puidoux" and go to the center of Chexbre. From there you take the road going in the direction of "Chardonne," and you continue on this road until you pass underneath the auto route. Turn left directly after the underpass and drive up a steep road. The "Domaine des Rueyres" is the first house on the right, about 100 meters after the underpass.

If you would like to come to this event, please let us know by way of the return slip below by May 20.

Please send to: Ms. Ursula Pelichet, "La Colombe," 1123 Aclens (Tel: 869 94 44)

I/we will be _____ person(s) attending the wine-tasting evening on May 27 in Chardonne.
