## PAST EVENTS

### Friday Night Get-Together

Everyone was very enthusiastic about our first Friday Night Get-Together at the Hotel Fleur du Lac in Morges on May 6th. Thirteen members attended. Aside from the encumbrance to discussion incurred by a somewhat enthusiastic piano player, this was reported to be a very good "get to know you" affair. Again, we were pleased to see several of you did not hesitate to come on your own! Perhaps it is your mate's turn to baby-sit, or maybe he/she prefers to watch a favorite program on TV, or perhaps you really are just alone. Well, these ICL Friday evening events are custom made for you.

### MORGES COFFEE CORNER

The May 18th coffee corner was a somewhat more intimate affair, with five members attending. We enjoyed it so much that we wholeheartedly look forward to the next one. Due to somewhat crowded and noisy ambiance of the Fornerod Tearoom, we will hold our next Morges Coffee Corner at a new location.

### WINE TASTING EVENING

The sun shined on the evening of May 27th for our wine tasting event. Twenty-nine of us gathered outside the cave to enjoy the magnificent view of the lake and the mountains around. We were given a tour of the facilities including the bottling processes for the wines. After the tour we were led to a cozy room for the tasting of eight kinds of wine accompanied by different breads and cheeses. It was a fun filled evening with lots of great conversation. This is a "must do again" event. Even the cave owner enjoyed the evening.

### Inside the ICL

Enclosed with this newsletter is your **membership renewal form** for the coming year. Since this is our first year of operation, we are, *exceptionally*, calculating how many months you have been a member up to July 1st (when our new financial year begins). You will be billed accordingly. For example: If you joined in February and paid for a full year, for the financial year of '94-'95, you will be billed only for the months of Feb '94 thru June '94. This has given our treasurer a few headaches, but, it seemed the only fair thing to do. Some members paid either too little or too much to begin with and now your accounts will be balanced. If you have any questions please contact any board member.

## ITEMS OF INTEREST

The **Raid and Bike Shop** in Lausanne is organizing a seven day mountain-bike tour through the Tunisian Sahara.

### Sound Adventurous?

Well, if so, our own adventurous Ray Smyke and one of his sons, are going along. They would gladly welcome some fellow ICL'ers!

**Requirements:** You must be in good physical shape and know *something* about mountain biking.

The date is October 15th through the 22nd. The all inclusive cost, with departure from Geneva, is Sfr. 1,800. If you sign up before June 30th, you will get a discount of Sfr 100. The last sign-up date is August 31st. Please contact Barth Smyke 801 18 16 (office) if you are interested.

**Radio 74** (88.8 on your dial), located just on the other side of Geneva, transmits the majority of its programs in English and is receivable beyond Lausanne. Besides transmitting BBC news, they also run programs such as the Minirth-Meier Clinic (between 9 and 10 a.m.), and Genna Lewis (between 6 and 7 p.m.) Most importantly, Radio 74 has become a central source of information for club events, theaters, self-help organizations, etc. Due to a special contract, Radio 74 must acquire **80% of its operating funds** by voluntary cash contributions from its listeners. Because they have been so supportive and cooperative in airing ICL activities, I would like to urge you to give them the support they deserve. If you call them at 023/ 504 374 74, they will be glad to send you some green postal forms.

## THEATER

The **Village Players** are staging  
(in English) the play

**"The Wednesday Group"**

by Brian Hughes

at the Lapin Vert in Lausanne  
from June 1st - 11th. Tickets are  
available at the Services Culturel  
Migros at the Place de la Palud  
in Lausanne or call 320 26 35.

## Saving the Earth!

Most of us in the ICL are sensitive to problems of the environment. That is why we do not use colored paper for our flyers and use envelopes made of recycled paper. Many of us take our bottles and old newspapers to the recycling stations.

## Did you know.....

You can recycle the corks from your wine bottles?

No Joke!

About 150 million corks are imported to Switzerland every year, making a weight of about 15,000 tons! Instead of throwing them away, collect them in boxes and send to the **Association of Swiss Maitres d'Hotel, Werdstrasse 34, 8004 Zurich**. They will in turn send them to a special recycling center where the cork is then crushed and reworked, with natural glue, into sheets of insulation, for one example.
