ART & DINNER

Thursday, September 29, 7pm

Sound like a nice combination? The **Neumann Foundation**, which holds a private art deco collection in their **Château** in the heart of Gingins (above Nyon), will be giving us a private tour of their permanent collection and of an exhibition by the German artist Käthe Kollwitz (1867-1945). The tour will be in French as well as in English. The entry cost is Sfr.8.- per person. After the tour, which will last about an hour, we will go to the Auberge Communale «*La Croix Blanche*» for dinner.

Please return the attached slip by **September 24th** if you plan to attend.

OCTOBER EVENTS

- October 7: Friday Night Get-Together
- October 21: Coffee Corner in Lausanne
- October 29: Architectural tour Lausanne and area

Ballroom Dancing lessons

We are planning to start up bi-monthly (Monday evenings) ballroom dancing lessons, **starting in October**. The plan is to have a private teacher and to split the costs among those present (in other words, you don't have to pay if you can't come). If you need a partner, give us a call and perhaps we can help you out. For further information contact **Ursula Pelichet** at 021/ 869 94 44.

Letter from the President

Of all our June events, the Picasso exhibit was by far the most popular, with about 20 people attending. Although some of us were less than enthusiastic about the paintings Picasso produced during this period, everyone who stayed afterwards thoroughly enjoyed the apéro out in the museum's patio.

The Coffee Corner in Lausanne and the Friday Night Get-Together were rather intimate affairs, but I know that many of you had visitors or were already making summer travels.

.J.

Our bike tour had such a poor response that we were forced to cancel it. Too bad, because I think the idea was excellent, the day well planned and the area beautiful. We'll see how many of you turn up on the hike (Sept. 11) before we definitely come to the conclusion that ICL'ers are not a sporty group.

I expect our membership to reach a hundred by the end of the year, and then we will be able to offer an even wider variety of events. Next year we really must plan a party with music and dancing. Oh dear, do I hear a lot of men groaning? Well, just come to our planned dancing lessons, become an expert, and then, who knows, you may actually enjoy it.

Sincerely,

Susan Stuber
