Anti-skid Driving Course

Not sure how to react when you lose control of your car on slippery streets ?
Would you like to spend a day becoming a more proficient driver ?

As you might save a life, we heartily recommend taking the course that the ICL has been able to organize with the **Touring Club Suisse**. We have a special group rate (as long as we have at least 9 people signing up) of Sfr 100.- You can choose any date you like, just make sure you choose the one that applies to your car (ABS or non ABS). The course takes place in Cossonay and starts at 8:00 in the morning and lasts until 5:30 p.m., with a short break for lunch. The course begins with one hour of theory in French, so you should go with someone who can translate for you if you don't understand French.

These courses fill up quickly, so please sign up soon if you are interested.

LETTER FROM THE PRESIDENT

Dear members

*We have a host of interesting
 events coming up for this
 autumn and spring: surely
 you will find something
 among them that appeals to
 you.*

*Of you just want to relax and
 share a pleasant hour or two
 with some other ICL
 members, the "Coffee
 Corner" and "Friday Night
 Get-Together" are the perfect
 occasions.*

*I did the TCS course in
 Zurich several years back
 and can recommend it for
 everyone. Its quite hair-
 raising when, after a hard
 break, you find yourself
 spinning around in your car,
 but it is exactly in this
 situation that you need to
 know what to do.*

*It would be a good thing if we
 could get a table (or two)
 together for the 50's party in
 Geneva on November 4th.
 Sounds like fun !*

*We really need 2-3 more
 couples for our private
 ballroom dancing lessons.
 We are flexible and will*

*choose the weeknight that
 suits the majority.*

*We have reserved rooms for
 20 persons only in the
 Lötschental, so please sign
 up soon to assure your
 place.*

*I want to welcome Jackie
 Uldry to our committee. She
 is graciously taking over as
 secretary of the Club from
 Mary Lynne Laflamme, who
 had to go back to the States.
 Jackie is a consultant for the
 hotel business.*

*Hope to see you at one of
 our October events,*

Sincerely

Susan Stuber
