

HAPPY NEW YEAR

BONNE ANNÉE

Dear ICL Members,

Hope you are doing fine and had an enjoyable Holiday season despite the circumstances and now look forward for a better year.

We at the committee wish ICL activities to come back to normal very soon. Not an easy task, covid has so far won over our determination. It made us cancel our North Korea presentation, the Christmas event and the New Year Brunch we had set up.

We keep trying and as the new restrictions make a February Fondue impossible, are now preparing a presentation on Alaska in March and on North Korea in April.

We will keep you informed. Latest information is always posted on our website www.icl-club.ch. Please check there to stay updated.

Keep going, stay healthy – we look forward seeing you soon.

Your committee,
Alicia, Gabi, Marcel, Chris
